If you need help to understand the information in this policy please contact our school office on (03) 9759 222

PURPOSE

The purpose of this policy is to

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Karoo Primary School has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences.

SCOPE

This policy applies to all students at Karoo Primary School.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of Karoo Primary School, parents and School Attendance Officers (Karoo Primary School Leadership team) under legislation or the School Attendance Guidelines.

DEFINITION

Parent – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Karoo Primary School during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student

- the student has a dual enrolment with another school and has only a partial enrolment in Karoo Primary School, or
- the student is registered for home schooling and has only a partial enrolment in Karoo Primary School for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Karoo Primary School believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Karoo Primary School parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents will communicate with the relevant staff at Karoo Primary School about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

Karoo Primary School's *Student Wellbeing and Engagement Policy* supports student attendance.

Our school also promotes student attendance by:

- providing a differentiated curriculum that meets the learning needs of each individual student
- providing a range of extra-curricular activities to target student's interests (e.g. lunch time clubs, buddy programs, special events and specialist programs)
- supporting student's wellbeing through a whole school approach (e.g. Restorative Practices, Resilience, Rights and Respectful Relationships program, wellbeing groups, school chaplaincy and school wellbeing dog)

Recording attendance

Karoo Primary School must record student attendance twice per day. This is necessary to:

- meet legislative requirements
- discharge Karoo Primary School's duty of care for all students

Attendance will be recorded on Compass by the classroom teacher no later than 9:10am at start of the school day, and again after lunch by 2:50pm.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Recording absences

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Karoo Primary School of absences by:

- entering the absence on Compass, noting the reason for the absence from the drop-down menu provided.

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Karoo Primary School will notify parents on the same day by an automated Compass SMS message at 10am.

If contact cannot be made with the parent, the school will make a follow-up phone call or email on the same day, in the afternoon. If a student's absence still goes unexplained the school may attempt to contact any emergency contact/s nominated on the student's file held by the school.

Karoo Primary School will keep a record of the reason given for each absence. If a student's absence is at risk of falling below 80%, a parent meeting will be arranged. The Principal or Principal's nominee will determine if the explanations provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Karoo Primary School considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be considered an '**explained absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexplained absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent seeks the school's approval in advance and a meeting is held within 3 weeks of the departure date so that a Student Absence Plan can be put in place.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, Karoo Primary School will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from the Leadership team, including the Wellbeing Leader.

We understand from time to time that some students will need additional supports and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required

Referral to School Attendance Officer

If Karoo Primary School decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a Senior Wellbeing and Engagement Officer whose role includes the School Attendance Office, from the Outer East-North Eastern Victoria Region for further action.

If, after multiple attempts to contact a parent, it becomes apparent that a student will not be returning to the school, the Principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or
 - no alternative education destination can be found for the student.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website (or insert other online parent/carer/student communication method)
- Included in staff induction processes
- Discussed at annual staff briefings/meetings
- Discussed at parent information nights/sessions
- Reminders in our school newsletter
- Hard copy available from school administration upon request
